Dear Families,

Thank you for your interest in Glenside Bible Church Nursery School! We are an early education school with fresh ideas and an enthusiastic, qualified staff.

The aim of our program is to meet the total developmental needs of your child. Physical, mental, social and emotional needs will all be addressed within a warm and loving Christian context. Our play-based curriculum includes a variety of activities: reading readiness skills, crafts, music, art, dramatic play, story telling and free play. Field trips are also part of our enrichment experiences. Because of the vertical-grouping of our classes, ages 3 to 5 years combined, an individualized approach will be used to meet the needs of each child based on their own level of development. Our Two-Year-Old class is kept small so each child can experience plenty of personal attention through out their day.

As you read through the handbook, if you have any questions, or would like to request clarifications, please don't hesitate to contact us at 215-887-2289 or email at glensidebcns@gmail.com

Sincerely,

Priscilla Patterson

GOALS FOR PROGRAM

- To provide well-balanced instruction that teaches children skills and attitudes essential to success in school.
- To use a developmental approach to help children develop at their own rate.
- To provide individualized instruction with our vertically-grouped class.
- To work together with parents, since they are primarily responsible for the education and growth of their children.
- To provide an integration of Christian truth in all areas of the children's study and investigation of God's world.

CURRICULUM

Our curriculum's aim is to meet the following needs:

- To develop readiness in reading, language, and math, according to the child's maturity level.
- To provide balance between active and quiet activities, indoor and outdoor play.
- To establish routine of physical habits, work habits and self-discipline.
- To provide enrichment experiences in the way of field trips and visitors to the classroom.
- To promote growth through creative self-expression in art, music and movement.
- To explore the natural environment through observing, investigating, experimenting, and experiencing.

Materials are selected and arranged based on the students' interest and levels of development. Many units are developed with a thematic approach but are also interdisciplinary to include experiences for all areas of the curriculum. Teachers use learning activities to teach new concepts, vocabulary, language forms, math, reading, writing, mental process, and attitudes.

SOCIAL AND ATTITUDE OBJECTIVES

An important part of any good early education program is learning social and attitude skills. Some of our long-term objectives include:

- Positive self-identity
- Independence
- Persistence

- Ability to delay gratification
- Interest in school activities
- Trust in the Teachers/Aides in the classroom and in the classroom environment itself
- Identification with a positive Christian adult role model
- Ability to follow directions
- Positive attitude toward own and other social groups
- Sportsmanship: taking turns, sharing, accepting the fact that one cannot always win

EVALUATION

- An initial, informal assessment of each child may be used to determine individual needs. Teacher's record progress during the school year, and a portfolio is kept for each child with samples of their work.
- Since an important role of the teacher is not only participant but also observer of the classroom environment, anecdotal records of each child's growth may be recorded.
- An optional in-school conference keeps you personally informed of your child's progress. Please reach out if you would like to schedule one. More on conferences on page 16.
- The teachers and Director are always available for answering questions. Email is best for non emergency issues. Please allow 24-48 hours for response, excluding weekends.

ADJUSTING

Your positive, happy outlook regarding school will encourage the same attitude in your child. A more relaxed parent makes for a more relaxed child. During the first weeks of school, your child may:

- be shy and cling to you
- not say much about the school day
- tire easily and cry more than usual
- be aggressive and have difficulty sharing
- resist using the school bathroom and/or have "accidents"

These behaviors are in response to the stress of a new situation and should slowly disappear as your child becomes familiar with the staff, classroom routines, and other children in the group.

Families can be understanding and emotionally supportive by:

- having a positive, cheerful attitude when bringing their child to school
- ensuring consistent bedtime rituals and a good night's sleep each and every night
- allowing lots of time for personal routine, a nourishing breakfast and a pleasant ride to school
- asking specific questions regarding preschool such as, "How did you create this artwork?", "What was your favorite part of morning circle?", or "Who did you play with on the playground today?"
- allowing children time to adjust to the new routines of school

Visit your local library, bookstore, pediatrician, or go online for additional information that can help ease apprehension and encourage healthy conversations about school.

REGULAR ATTENDANCE

Children will gain the most benefit from the opportunities offered by our nursery school program only if they attend regularly. An important developmental opportunity offered in a group experience is relationship to other children. If a child is absent frequently, that child will always feel unacquainted with the other children. To get the most out of our program, children need to be here regularly. Additionally, arriving on time for school at 9:30 provides consistency for your child. Teachers are available to greet each child and allow for a smooth transition into the school day.

HOLIDAYS

Holidays are special times throughout the year to be celebrated. Our Christian beliefs are reflected through our holiday celebrations.

- The adventure of dressing up and pretending is evident in our Fall Costume Parade, to the delight of parents and friends. However, Halloween can also present some scary situations to young children. With this in mind we ask that children:
 - Do not dress in scary, masked costumes
 - Avoid costumes reflecting occult imagery (witches, ghouls, etc.)

- Christmas is a celebration of Christ's birth. We celebrate it and all its joy. We don't put emphasis on "Santa" within the classroom setting, but we never discourage a child's wonder and imagination as they feel led to share on the topic.
- Thanksgiving, Valentine's Day, and Easter are special days at GBCNS as well. God is part of who we are and what we do. We are thankful for blessings, for love and our salvation.

Each holiday season is a time to celebrate in a way that is appropriate for young children and pleasing to our Creator.

PARENT SUPPORT

Since parents are primarily responsible for the education and growth of their children, the goal is to work together, teacher and parents, towards your child's success. Parent support is an integral part of our Nursery School Program. Some ways you can participate and support us and your child's education include:

Helping with special occasions: Before most classroom celebrations or holiday parties your teacher will coordinate with parents about any needs such as treats, decorations, craft supplies tableware and more. If you would like to contribute simply, respond / sign-up with your preference.

Birthdays: Everyone loves a birthday! Each child will have their own special day. The teacher will coordinate with parents to select the day (closest possible school day). You may send in a snack of your child's choosing that day. The teacher will advise in September what dietary restrictions or concerns to be aware of with regard to food in the classroom. The teacher will arrange a special day for those students who have summer birthdays.

Special Family Events:

We do host some special events where parents or other family members are invited to participate in. We realize some parents work and not all have the ability to "request off". You are always welcome to send "a substitute" on your behalf, so your child feels included and special. (We already know that they are!)

Observing: Parents are always welcome to visit. Please notify the teacher in advance. Because of health and enrollment standards, do not bring along other children when you come to observe.

Conferences: A conference day will be offered midway through the year to benefit those preparing for Kindergarten. However, all parents are welcome to sign up, no matter your child's age. Parents and teachers will share information and observations about your child's progress at home and at school.

Additionally, if you feel you would like to discuss your expectations and goals for your child at any point in the school year, arrangements can be made. Please contact the teacher if you would like to schedule a conference.

Parent Helpers: Parents who are interested in volunteering time in your child's classroom should inform the teacher via email. Your child's teacher will work with you to schedule a time / day that works best. (Please make appropriate childcare arrangements for any siblings, as they will not be able to join you in the classroom.) A copy of up-to-date clearances must be submitted to the director before your volunteer visit begins.

Sharing talents: If you have a hobby, talent, or profession you would be willing to share with the children as an Enrichment

Program, contact the teacher to arrange a time.

FIELD TRIPS

Each year we plan a few favorite field trips/ in-house visits:

- Fall: Pumpkin Farm
- Optional Spring: Elmwood Park Zoo or Briar Bush Nature Center
- Picnic at the Playground
- Visit from the local fire department
- In addition, we occasionally take walks in the neighborhood

With the exception of neighborhood walks and in-house visits, permission must be given in writing.

If we are providing transportation, a car/booster seat is required and must be provided.

3. TOYS

We have a large array of toys and equipment at school.

Therefore, children should not bring toys from home.

The staff and school are not responsible for lost or broken toys brought in from home.

4. CLOTHING

Play clothes are considered to be the best-suited type of dress for nursery school activities. For your child's safety, shoes should be appropriate for running and playing indoors and out. Please do not send your child to school wearing flip-flops or wheeled shoes as these are not safe for running. Also, note outdoor play is considered to be an integral part of our program during all seasons, weather permitting. On winter days, please dress your child appropriately in warm clothing, including hats, mittens and boots when needed. It is requested that all outside clothing be labelled with child's name.

A complete change of seasonally appropriate clothing in a labeled bag shall be stored at school. Please keep sizes and seasons current. This is helpful for spills and accidents.

5. INCIDENTS/ACCIDENTS

Teachers will document incidents (hitting a peer) or accidents (a scraped knee) relating to your child while at school and will be kept on file. All accounts will be relayed to parent at the end of the session. Parents are contacted immediately if a situation requiring parental/medical attention is necessary. Please keep your emergency contact information up-to-date.

6. RECORDS

The school will keep records of attendance, health, and achievement of each child. A record of immunizations OR a written letter explaining your exemption from immunizations is required by the start of school. Please submit a current printout of your child's immunization record obtained from their primary care provider.

7. OUTSIDE SERVICES

If your child is receiving outside services or you are planning to arrange such services for your child, you **MUST** notify your child's teacher. All early intervention visitors to the classroom **MUST** have approval from the school Director before beginning. Ideally, disruption to the normal classroom routine and schedule should be avoided if at all possible. Space is limited in the classroom. Therefore, we can only allow one therapist at a time. If a child needs multiple supports, you may need to schedule some outside of school hours.

8. HEALTH

Children sent to school should be in good health -- free from communicable disease. Our primary consideration is for the wellbeing of all the children and staff. Children with the following symptoms will need to be kept home:

- *Vomiting
- *Diarrhea
- *Strep/sore throat
- *Ear pain
- *Lice
- *Listlessness
- *Congested cough
- *Fatigue
- *Chills
- *Temperature above 100
- *Conjunctivitis
- *Rashes or any other type of skin eruption
- *Discharge from eyes or nose that is yellow/green
- *In need of constant one-on-one attention

If the symptoms develop while your child is in attendance, you will be contacted to pick up your child.

The child may return after being symptom-free for 24 hours and fever-free for 24 hours *without the use of fever-reducing medications*. If your child comes down with a communicable disease, please contact the teacher so other parents may be informed of anything that may spread through the classroom.

9. WEATHER CLOSINGS

Glenside Bible Church Nursery School follows Abington School District weather decisions. Their school closing number is #301. If Abington Schools close, so do we. If Abington schools issue a 2– hour delay, GBCNS will plan to open at 10:00 AM. You will be notified by phone/email if there are any changes to this procedure.

After a total of three weather closings, every effort will be made to make up any additional time lost due to inclement weather.

10. DAILY ARRIVAL AND DISMISSAL ROUTINES

Teachers will be ready to greet your child and begin their day together at 9:30 AM. A reliable person must leave and call for your child and must stay until he/she has been checked into the class. All outside doors on the building remain locked during school hours. If you arrive late, you may use the intercom at the office entrance to have the office staff let you in.

Please be on time for your student's dismissal. Approved pick-up persons should wait outside at the designated "pick up" area assigned by the teacher. A list of authorized persons is maintained in your child's file. Permission for a child to go with someone other than the parent/guardian or those listed as "authorized" must be given **in writing**. Verbal notice to the teacher/aide alone is not sufficient. There are **no** exceptions to this. Any approved persons unknown to the staff should be prepared to show identification before the child is released to their care.

Our school day ends promptly a 12:00 PM for half day students, 1:00 PM for Lunch Bunch students, and 2:20 PM for full day students. However, since we release children in waves so to not overcrowd pick up, it can take a few minutes for the teacher to dismiss everyone. For this reason, we allow a 5 minute grace period for pick up. Anyone who arrives after the five minute window will have to come claim their student at the door, sign them out, and will receive a \$10 late fee added to their next tuition bill. An additional \$10 is added for every ten minutes thereafter. More details on this on page 18 under "Fees/Tuition".

11. PHOTOGRAPHS/VIDEOS

A photo/video consent form must be filled out and returned for each child. Photographs/videos are taken and used within the classroom setting regularly. We use them to share with you about especially fun activities, and for special projects. Occasionally school photos are shared with our church family during Sunday school service for the purpose of engaging with our congregation who support us through out the year in many different ways. Likewise, we may share pictures on our website or social media platform.

Each spring, professional portraits are taken and made available to you for purchase. A separate permission form from the photographer is required to take these professional pictures.

12. FEES/TUITION

Our tuition fees are broken into 9 installments which are due Sept. 1 thru May 1. *There is a non-refundable registration fee of \$35.* Program options are as follows:

- 2 Half Days: \$1,800 for the year (9 installments of \$200)
- 3 Half Days: \$2,400 for the year (9 installments of \$267)
- 3 Full Days: \$3,200 for the year (9 installments of \$356)
- 4 Half Days: \$2,900 for the year (9 installments of \$322)
- 4 Full Days: \$4,000 for the year (9 installments of \$444)

Your monthly bill will show the amount due and the due date. Please mail the return envelope to the church office or drop inside the tuition box, located in the Director's Office. Make checks payable to: Glenside Bible Church Nursery School or GBCNS. Receipts upon request. Automatic payment/withdraw forms are also available on our website.

Please note: As per the Financial Commitment Form signed at registration, if tuition is not made by the due date and our office is not notified, a late fee of \$25 will be charged. Repetitive failure to stay in good standing and good communication with tuition may result in your child's loss of enrollment. Final tuition payment is due May 1st of the current school year. If this is not possible, please make specific arrangements with the school financial secretary regarding your tuition obligation.

A late pick-up fee of \$10.00 will be added to your bill if your child is not picked up within 5 minutes after the scheduled end of the class. An additional \$10 will be added for every 10 minutes thereafter. Late pick up fees will be included with your next tuition bill. Payments can be mailed or deposited in the tuition lock box in the Director's office. Failure to pay the late pick-up fee in a timely manner, may result in further action.

13. REFUNDS

Fees are non-refundable in the event that school is called off because of weather conditions. There are no refunds in the event of absence or illness up through two weeks duration. After two weeks of a child's continuous, prolonged illness, fees will be reduced to one-half until the child returns to school, provided that the parents have notified the Director in writing prior to the third week of illness. Paying the reduced rate insures a child's position in the school when he/she returns.

14. DISMISSAL OF A CHILD FROM PROGRAM

We plan for success for each child in our nursery school. We will work together as a team to support a positive learning experience for everyone. In the event that it becomes necessary, the school reserves the privilege of dismissing any child. Some reasons for this may be:

- A child has been in attendance but has not made progress towards a happy and secure adjustment away from home
- Financial obligations are not met
- A child becomes extremely disruptive or poses serious danger to himself or others

In the event that GBC Nursery School dismisses a child from the program and there is prepaid tuition, you will be reimbursed for the unused amount of prepaid tuition within ten business days of the dismissal date.

15. WITHDRAWAL

As stated on the Financial Agreement Form, If you wish to withdraw your child from the school, written notice must be given to the Director four (4) weeks before the next billing cycle in order to avoid being billed. Failure to do so makes you responsible for paying the next month's tuition, regardless of your child's exit date. Re-enrollment of a child who has been withdrawn from school is subject to availability.

Thank you again for interest, consideration, and participation in our programs. We value our students and their families and we know that with your support, we will make a lasting and meaningful impact in your child's life.

*"And let us not grow weary of doing
good, for in due season we will reap if we
do not give up."
Galatians 6:9*
