## David & Angela Morris

- David & Angela went to the Middle East as “tentmakers” in the field of solar energy. They based their home in Cyprus to impact other nations in the region during a lifetime of service.
- They planted a church, International Christian Fellowship, in Cyprus and helped birth fellowships of believers seeking asylum there from a nearby repressive Muslim nation.
- They retired in 2014 and currently reside in their own home in Ontario, Canada.

### Pray For The Morrises:

- Ask for grace as Angela is suffering with multiple health issues and David is caring for her..
- Ask for the continued growth and outreach of their fellowship in Cyprus and for the many Cypriots who need the Gospel, especially those who live in the Muslim northern portion of the island.

### Pray For The Moosbruggers:

- Ask for their health issues. Karl has suffered some memory loss but is stable. They are involved in a small, Bible-believing local church and seek to serve there.
- Ask for a movement to Christ among the Crow people and the completion of the New Testament which stalled just when it is nearly finished.

## Karl & Louise Moosbrugger

- Karl & Louise served in Papua New Guinea with Wycliffe Bible Translators and later, from 1996, on the Crow Indian Reservation in Montana.
- They pastored a small fellowship for several years and supported the translation work for the Crow New Testament and other Scripture materials, before retiring in 2012.
- They currently reside in their own home in Strongsville OH.

## Joan Trowbridge

### Pray For Joan:

- Ask for Joan's comfort after Bart's passing and for her continued good health..
- Ask for God to continue to draw many international students to Christ through the ministry of CRU, particularly in Philadelphia, as well as all over the world.

- Bart & Joan served for many years with Campus Crusade (now CRU) serving students and churches in the Philadelphia region.
- For several years they lived in Moscow and later led US teams to Russia and worked with international students in Philadelphia.
- They retired in 2018 and Bart went home to be with the Lord in 2024. Joan currently resides in Ephrata, PA in her daughter's home.
